

# UFO High Bay

Small Housing, Tons of Illumination, Simple Install

## LED High Bay Luminaire

This system is the most cost effective way to enjoy the benefits of LED lighting while replacing inefficient HID high bay fixtures. This fixture has been designed to get the most usable lumens at the lowest cost. With multiple mounting hardware options, this fixture is designed to streamline the retrofit process.

### Optics

- Can replace traditional HID fixtures up to 1500 Watts
- White light color available from 3K to 5K. 70, 80, 90 CRI packages available
- Beam angles of 60, 90, and 120 degree
- IP65 Rated lenses, made from optical grade poly carbonite
- UGR < 19
- 0-10V, PWM, DALI, and Zigbee dimming capabilities.

### Performance

- -30° C to +50° C Ambient Temperature Rating
- Up to 170 lumens per watt
- 5 Year Standard Warranty. Extended warranty options available.

### Electrical

- Accepts range of line voltages between 120V to 277V AC
- Option for High Voltage Input
- THD < 15%
- PF > .9

### Mechanical

- Die Cast aluminum housing, with thermal black powder coating.
- Stainless steel mounting hardware
- Suitable for wet Locations
- Mounting hardware for Suspended, Hook, Chain, or Flush Mounting

# Ordering Information:

Example: PLG-UFO-60-90-50-HI

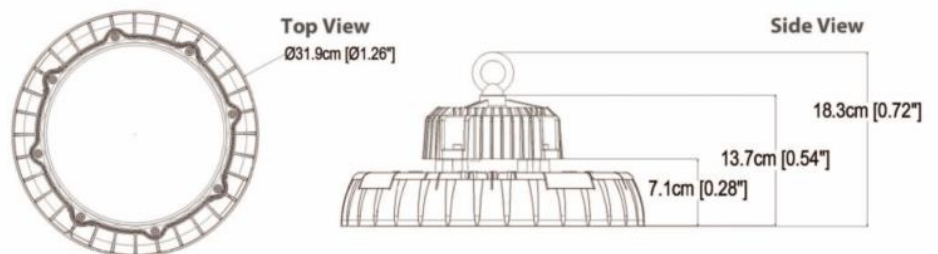

<u>PLG</u>	<u>UFO</u>					
Brand	Series	Wattage	Beam Angle	CCT	Efficiency	Options
PLG	UFO	60	60	50 (5000K)	HI (170 LM/W)	REF (Drop reflector)
		100	90	40 (4000K)	LO (140 LM/W)	HV ( High Voltage - 480V)
		150	120	30 (3000K)		SP (Surge Protector)
		200				OPC (Opaque Lens)
		240				BK (Black Finish)
						DRKB (Dark Bronze Finish)
						WHT (White Finish)
						ADV (Advanced Controls)

## Product Dimensions:

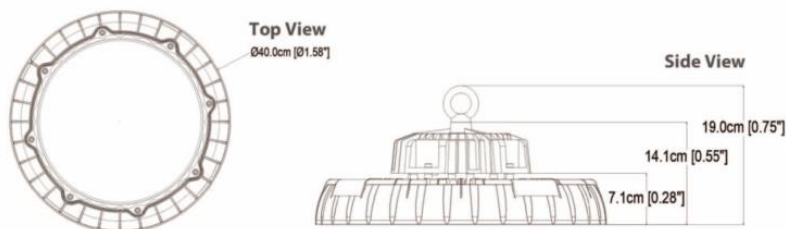

**60 and 100 Watt**

**150 Watt**

**200 and 240 Watt**

# Specifications:

Brand	Series	Wattage	Lumens	Efficacy	Approximate HID Replacement	Weight
PLG	UFO	60	10200	HI	250W	6.4 LBS
			8400	LO	200W	
		100	17000	HI	400W	6.4 LBS
			14000	LO	300W	
		150	25500	HI	500W	10 LBS
			21000	LO	400W	
		200	34000	HI	800W	13.7 LBS
			28000	LO	600W	
		240	40800	HI	1000W	13.7 LBS
			33600	LO	800W	

## Who We Are:

### LED Lighting Manufacture

- Located In Mesa, AZ, All fixtures are assembled in house by our team of lighting technicians

### Electrical Contractor

- With a strong reputation of quality work in both new construction and maintenance, PLG is a Licensed, Bonded, and Insured electrical contractor whose been serving the American southwest lighting market for over 24 years

### Performance Based Contractor

- PLG Guarantees results for energy and maintenance savings by performing in house energy audits, utility rebate processing, and photometric designs.
